SQL	Prolog BASH
php	Javascript

Languages

🇬🇧 Native speaker

🇫🇷 Bilingual

🇩🇪 Intermediate

- Permanent French carte de séjour

Education

2018-present	**FST Limoges** Degree / Computer Science
2018	**Lycée Eugène Jamot** Baccalauréat Scientifique Speciality Maths

- I'm **bilingual**: I operate as effectively in French as in English.
- I have always been **determined** and **persistent**: I was a ball boy at Roland Garros when I was 13, successfully making my way through trials of over 3000 applicants.
- I'm **adaptable** and **culturally aware**: I moved countries when I was 7, and travelled with my family in Europe, Africa and Asia for nearly a year when I was 13/14.
- I'm **self-motivated**: I organised my own education for a year during high school (when travelling with my family).
- My passion is **technology** and **IT**: I am nearly finished my degree in IT/CS, and plan to do a Masters in Cybersecurity, I have built several PC's including mine, I love and am interested in the development of Gaming / ESports.
- I **share**: I mentor young people in maths as a volunteer, (AFEV), I do online help videos for Minecraft, and I've volunteered in schools and athletic groups.

Experience

2019	**Pac-Man** Developing the game Pacman in L2 (year 2) (GitHub)
2018	**Employee Seller** Summer position in a sports / hobby shop - Adviser - Stock manager

Hobbies

Sport   (Climbing, Calisthenics, Ping Pong...)

Games   (PC, card games...)

Technology   (PC, Drones, GoPro...)
